CHARITY

THANK YOU for your participation and support. We are proud to partner with **Kids Of Americas Heroes** for this year's Annual Tournament.

Kids Of America's Heroes

KOAH's Mission is to raise non-military awareness of military-connected kids and the unique challenges they attempt to navigate. Through KOAH's efforts, these children will feel a better sense of community, especially those not associated or co-located with a military installation. KOAH's efforts to enlighten and educate school leaders, teachers and counselors on military life will significantly affect the outcomes of these communities and better the lives of these military families. For more information, visit www.koahusa.org. Thank you!
