### **YOUR VENDOR SPACE:**

All Business Expo Exhibitors will be located under one "circus size" tent. Signage as well as an 8 ft. table that will be covered and skirted along with two chairs will be provided. Remember the more interaction you have with the public and the more eye catching you make your space look, will attract more people to stop at your booth. To make this show a valuable experience for the public and to increase your business we encourage all vendors to offer exclusive discounts, sell items, coupons that will only be available the day of the show. This will be a great way of tracking business that you received that day.

### **WIRELESS ACCESS:**

There is **NO** wireless access at Town Center Park. You must provide your own **Hot Spot**.

### **DOOR PRIZES:**

If you have a raffle prize, you will be responsible for distributing your own door prizes to winners. Please make sure you bring a container to gather business cards. This will ultimately create a stronger marketing opportunity with the winner to visit your place of business.

### **WEATHER:**

Please note that Hamden Town Center Park is a large open field and can be quite windy. We strongly recommend bringing weights or other stabilizing items to secure your displays and materials to prevent them from being affected by the wind. The forecast is calling for a perfect warm and sunny day!
